

# Pendulum Claims Management

PENDULUM, A BOUTIQUE CLAIMS MANAGEMENT FIRM, IS HERE TO HELP YOU WITH PROFESSIONAL AND GENERAL LIABILITY CLAIMS MANAGEMENT IN THE AGING SERVICES INDUSTRY.

We all know the increased amount of time and resources it takes to perform the many tasks associated with handling a liability claim, not to mention, the rising cost of claims. Pendulum's services allow your organization to streamline costs by eliminating the operating expense associated with the self-administration of claims. Pendulum can promote efficiencies by providing the ongoing attention and consistency needed in managing claims to their best possible outcome. Pendulum's team of experienced claim managers, insurance specialists, attorneys, and technical staff can provide you with the support you need.

Pendulum strives to provide quality services at a reasonable cost. Client satisfaction is very important to us. We view our TPA services as an extension of your organization. Let's talk about how Pendulum can make things easier for you in the management of your professional and general liability claims.
